

PHOTO-NAT NEWS

January 2106

Hello Everyone!

Hope you have enjoyed your holiday season. Winter has finally arrived with photo opps for us. The snowy owl has been seen in the county as well as in Presqu'ile. There are ducks, geese & swans at the docks in Wellington. We unfortunately have not been out with cameras but look forward to an outing one of these days. Hope you have been able to get out.

I want to thank you for your presentations in Nov. I know they don't just happen. A lot of time & effort goes into making a slideshow. It was a full evening of great photography!!! Thanks!
